Rev. 01/08

The Basic Bubble is a lower-density polyurethane material with an ergonomic profile. This bubble mat is designed for dry, non-critical environments while reducing trip hazards, body aches, quality issues and sick leaves. No bubble matting available delivers as much relief and comfort at this price.

Unmatched Safety Features

- Molded beveled edges
 - They will never curl up, eliminating trip hazards
- Any size, any shape, always in one piece
 - No overlapping or worn out connecting mats, also eliminating trip hazards

Not only anti-fatigue, but also true ergonomic benefits

Unique ergonomic designs, eliminating and preventing common problems encountered in standing environments, by stimulating the body to increase blood circulation and alertness, reducing sick leaves, workers' compensation and quality issues.

The Basic Bubble Advantage

Solid mat throughout, no hollow bubbles that collapse.
 Silicone & latex-free

3-Year Warranty

All Ergomat product lines are conditionally warranted against normal usage* 24 hours a day, 7 days a week. The warranty does not cover damage caused by the mat being dragged or pulled from a heavy load or items being pushed or dragged across the product, such as skids or pallets. The warranty against chemicals, oils, liquids, or other matter differs with the type of mat. Please consult your dealer or an Ergomat Rep to select the correct mat for your environment. The warranty periods starts from the date of purchase.

*It is considered normal usage when a person stands or walks on the Ergomat with regular footwear.
